

# Emery/Weiner Athletic Booster Club

## It's a G-R-R-R-E-A-T Year to Be a JAGUAR!!!

Be a part of our exciting effort! Your support will help put the **"Boost"** in EWS Athletics by helping our young athletes have a more enjoyable and rewarding experience competing in the sports they love. The Booster Club supports both the Middle and Upper Schools. Last year, your support helped provide equipment, warm-ups and windbreakers for various EWS athletic teams.

There are **34** teams in **11** different sports. The Jaguar Athletic Booster Club is a volunteer organization made up of dedicated and service-oriented parents who are committed to offering their time and energy to promote school and athletic spirit, support EWS sports teams and ensure that every athletic event is a success. In addition to volunteering time, The Booster Club also provides funds to enhance all EWS sports teams. The Emery/Weiner student-athletes and coaches directly benefit from the volunteer and financial support of the Booster Club and encourage ALL parents of Emery/Weiner student-athletes to join!

Yes!! I AM A PROUD JAGUAR SUPPORTER. My membership will contribute to the continued success of our coaches and athletes.
